

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF TEXAS  
LUBBOCK DIVISION

MARVIN E. NEWTON,

Plaintiff,

v.

No. 5:22-CV-039-H

CROSBY COUNTY 72nd DISTRICT  
COURT, et al.,

Defendants.

**ORDER ADOPTING THE FINDINGS, CONCLUSIONS, AND  
RECOMMENDATION OF THE UNITED STATES MAGISTRATE JUDGE**

By a standing order of reference, this case was referred to Magistrate Judge D. Gordon Bryant, Jr., for pretrial management. Dkt. No. 1. Judge Bryant issued numerous orders instructing the plaintiff to comply with various requirements. *See* Dkt. Nos. 2; 4; 8. None were abided. *See* Dkt. Nos. 4; 8. Judge Bryant then made findings, conclusions, and a recommendation that the Court dismiss the plaintiff's complaint for want of prosecution, as contemplated by Federal Rule of Civil Procedure 41(b). Dkt. No. 9.

The plaintiff made no objections to Judge Bryant's FCR, so the Court has reviewed it for plain error alone. Because no error—plain or otherwise—can be found in the FCR, the Court adopts it in full. The case is dismissed without prejudice pursuant to Rule 41(b).

So ordered on June 8, 2022.
